OBJECTIVE

Second-year Computer Science & Engineering undergraduate with hands-on experience in mobile app development, hackathons, and AI-assisted tools. Seeking a Software Development / Data Analytics internship to apply programming and problem-solving skills to real-world challenges while growing with an experienced team.

EDUCATION

B.E. in Computer Science & Engineering

JSS Science and Technology University, Mysuru

Currently in 2nd Year | Semester 1 SGPA: 7.89

TECHNICAL SKILLS

- **Programming Languages:** C
- **Web Technologies:** HTML, CSS
- **Mobile Development:** Flutter
- **Tools & Platforms:** Git, GitHub
- **AI-Assisted Development:** ChatGPT, Claude, Antigravity, Kimi
- **Other:** Prompt-based AI image generation

PROJECTS

Smart Agriculture System *Hackathon Project*

- Designed a mobile system to monitor farm conditions and support data-driven agricultural decisions.
- Built interactive UI and leveraged AI tools (ChatGPT, Claude, Kimi) for rapid prototyping and problem-solving.

Traffic Detector

- Developed a traffic-monitoring concept that detects congestion levels across locations and visualizes live vehicle flow.
- Implemented clean UI and used AI-assisted development to accelerate feature building and debugging.

Disaster-X

- Created a system concept to assist in coordinating emergency response and resource information during disasters.
- Applied AI tools to speed up development, logic design, and iterative improvements.

Study Pulse

- Built a productivity-focused study companion app to help students track sessions, set goals, and monitor progress.
- Designed intuitive interface and used AI-assisted coding to implement core features efficiently.

HACKATHONS & CERTIFICATIONS

- FusionX 1.0 – 24-Hour Hackathon, Vidyavardhaka College of Engineering, Mysuru
 - 6-Hour Hackathon, Navkis College of Engineering, Hassan
 - Frontend Battle 3.0 – Vibe Coding Competition
 - Quiz Competition – Unstop
 - Introduction to Artificial Intelligence
 - Career Glowup Night by Simplilearn
 - SkillUp by Google Student Ambassador Program
 - GenQuezt by Naukri Campus
-
